Experience

Senior UI/UX Designer

Creative Chaos

2021 - Present (full-time)

UI/UX Designer

XStak Inc

2021 - Present (part-time)

Co-founder

Grocode

2018 - Present (part-time)

As a CEO and Co-founder, my focus is to deliver end-to-end concept, design, and engineering of innovative digital products, award-winning websites and disruptive mobile apps. I constantly experiment with the most advanced technologies in order to find a solution for every business challenge.

CTO

Jambro

2017 - 2019

As a CTO, I was responsible for leading the technology part at Jambro which includes App Development including UX for iOS/Android platform along with Web Development, also managing a super talented team of passionate professionals to develop a product on a global level.

Manager Web Development

Creative Chaos

2014 - 2017

I was responsible for working with business units to gather and assess requirements and make recommendations on potential solutions with given and new technologies. Overlook and mentor team resources, working to provide consistent and systematic improvements in production quality and ensuring adherence to defined timelines.

Senior UX Designer & Team Lead

Creative Chaos

2010 - 2014

I was a team lead & in charge of creating usable, interactive, cross-browser compatible, size optimized CMS-based websites and applications for companies like Coca-Cola, Mobilink, Toyota, Telenor, eBay, Groupon and many others.

Web Designer & Developer

Creative Chaos

2006 - 2010
